### Active Transportation Options

While you were working remotely, the City of Seattle was hard at work building new bike lanes downtown and throughout the city. Check out the resources below to help you get rolling – whether it's to work, to run an errand, or to meet up with a friend!

Use the [interactive bike map online](#) to find a route from home to work

Travel around quickly with a Scooter Share; you have [4 different options](#)

[Give walking a try](#), you might be surprised how great you feel!

### Driving Options

Sometimes your schedule necessitates driving. If you're looking to cut costs, get access to HOV lanes, and reduce stress levels, you've got options.

Restart your commute with [Vanpool](#). With only 2 people needed to start a Vanpool you'll have access to the West Seattle Low Bridge and an efficient commute with your colleagues, family, or friends.

Grab a free-floating carshare through [Getaround](#) or [GIG](#) to maximize your flexibility. There are no sign-up fees or parking costs!
