

# Let's Get to Work!

Commute Seattle Consulting Packages

**Let our team of data-driven transportation specialists take the guesswork out of creating impactful programs that support your drive-alone goals and business needs.**

Commute Seattle's consulting packages are designed to help you direct your resources into the right transportation benefits for your unique workforce and business location.

Choose from one of three packages:

**Transportation Visionary**

**Transportation Advocate**

**Commuter Support**

 **Line** to South Lake Union  
SW Alaska St & California Ave SW

## Our Services

### Directional Analysis

#### WHAT YOU GET:

- One employee commuter survey including development, distribution, and analysis
- One analysis report
- One presentation on key findings

#### HOW IT HELPS:

You want to invest your transportation benefits where there's the highest impact. We'll identify the biggest areas of opportunity and create geo-targeted recommendations based on employees' mode choice, current transit service, and existing versus potential benefits.

### Transportation Fair

#### WHAT YOU GET:

- One 2-hour event, including planning, implementation, and wrap-up
- Commute Seattle-provided resources and giveaways
- Invitation to tabling partners (partners not guaranteed)
- One custom promotional poster
- One email promotional template
- 1:1 trip-planning during event

#### HOW IT HELPS:

Let us plan the party! We'll create a fun and educational event that encourages your teams to switch their trips from driving alone to a more sustainable option.

## Our Services

### Site Plan

**WHAT YOU GET:**

- On-site visit and evaluation
- One final report with customized recommendations

**HOW IT HELPS:**

Every worksite is unique. We'll identify strategic opportunities—big and small—to incentivize non-drive alone commutes, including active commute facilities, parking management, and on-site education.

### Commute Concierge

**WHAT YOU GET:**

- On-site office hours for an 8-hour workday
- 1:1 trip-planning with staff
- One presentation to staff or recorded video

**HOW IT HELPS:**

Sometimes, you just can't beat real human help. Whether you're navigating transit for the first time or planning a multimodal regional commute, our commute concierge service provides old-school support to make sure you have everything you need for each step of the way.

### Employee Commuter Resources

**WHAT YOU GET:**

- Subscription to our monthly e-newsletter
- Ongoing invitations to events

**HOW IT HELPS:**

Stay in-the-know on the latest transportation information, construction impacts, and latest resources.
